Mission of the alumni association

Our mission is to contribute to the local intellectual capital formation in the Baltics by supporting SSE Riga, its students and alumni community. The Alumni association of the Stockholm School of Economics in Riga provides financial aid for the students by organizing fundraising events.

Standard Scholarship Principles

At least 10 scholarships to incoming Year 1 students based on the admissions process.

At least 10 scholarships to Year 2 students based on their academic and extracurricular performance.

The Alumni Association respects any special considerations of the sponsor and will seek to accommodate those.

Tuition Fee*
7 600 EUR

* Not including tuition fee waiver for Baltic & EU students.

Why support scholarships?

1. Help us attract the best and brightest economics and business students to SSE Riga irrespective of their financial standing.
2. Facilitate the network of ambitious and energetic local high-skilled employees and entrepreneurs.
3. Enhance your employer brand among and improve access to widely demanded future employees.
